I. PRINCIPAL'S COMMENTS

Dear Parents and Guardians,

I am always amazed at how quickly the month of June passes us by. There are a myriad of school activities to fill up our days and evenings. These activities keep everyone very busy and highlight the year that has been. I would like to thank the many people who have coordinated some of these activities and congratulate the students who so richly deserve the recognition afforded by these events.

This year has been an amazing year and I want to acknowledge the students and parents of Dover Bay. I have observed a true caring for students and the community of Dover Bay. I would also like to commend the graduating Class of 2011 for their continued support towards Dover Bay and maintaining their respect towards Dover Bay, we completed this year without a grad prank that was hurtful, harmful, or costly. **Well done grads of 2011!!!** This year it was noticed and commented on the maturity and respectful attitude that students had for their school and community. **Excellent Job by the entire school.**

The school district's Learn @ Home program is again offering school in the summer for students who have been unsuccessful in specific core courses, who wish to upgrade their skills or who wish to take a course early.

In closing, I would like to congratulate all of the graduates. Further congratulations to the retiring staff members as they all move on to the next stages of their lives. Finally to all the students, have a terrific summer and I will see you next September.

Sincerely,
John Blain, Principal

III. STUDENT ACTIVITIES

LIBRARY NEWS – Ms. Irvine

Thank you to all our volunteers. Mrs. Marlene Hedch continues to work for countless hours to make our library run smoothly. We're also very grateful to our student volunteers: Amy Edgar, Ariel Verhoeks, Jason Yoon, Melissa Verhoeks, Shruta Shaw, Tanya Plyasova, and Thomas Lee. They have been terrific assistants.

The Vancouver Island Regional Library is a great source for summer reading. They provide an online catalogue at <http://www.virl.bc.ca>. There is also an online teen reading club jointly sponsored by the Times Colonist, the Greater Victoria Public Library, and the Ministry of Education: www.teenrc.ca.

September 2011: Look for lots of new books in the library, especially fiction. Also in the library, students will have access to 39 new computers. See you then!

Thank you PAC

Students and staff benefit in so many ways from the wonderful dedication of the Dover Bay PAC. The support given to the library for author visits this year enabled the educational enrichment of approximately seven hundred students. We appreciate, and are very pleased, to be able to offer these literary experiences to students from the library. PAC, thank you so much for once again giving the library strong support and enabling many students to connect with literature in a very special way.

Sincerely,
Linda Irvine & Laurie Sieber,
Teacher Librarians

TRIPLE P GROUP for PARENTS OF CHILDREN 11 to 14 years of age

Raising teenagers can be challenging but this task can be less stressful if parents don't have to do it on their own. Getting support in a Triple P Group Course can be very reassuring as well as provide positive strategies to help you promote your teenager's development.

In a group Triple P Course you'll learn about:

- Providing a home that guides and supports teenagers as they strive to become independent, well-adjusted young adults
- Helping teens to become skilled at making good personal decisions
- Negotiating rules, responsibilities and privileges
- Staying calm when inevitable conflict arise
- Being realistic – every teen and every parent will make mistakes. Most mistakes are minor and parents learn as they go along
- Taking care of yourself as a parent.

A triple P Group is free of charge and is for parents of children 11 to 14 years. Next group is Monday evenings 6:30-8:30 p.m. September 26 - November 14th, 2011. To register call Denise at 713-6102
